I'd Like To Teach The World To Sing

I'd like to build the world a home
And furnish it with love
Grow apple trees and honey bees
And snow white turtle doves

I'd like to teach the world to sing
In perfect harmony
I'd like to hold it in my arms
And keep it company

I'd like to see the world for once
All standing hand in hand
And hear them echo through the hills
For peace throughout the land

(I'd like to teach the world to sing
In perfect harmony
I'd like to teach the world to sing
In perfect harmony)

Instrumental Bridge (guitar solo – up and down
scale – 8 bars of 4 beats)

I'd like to build the world a home

My Good Dog

Every morning I wake up
He's always by my side
And after breakfast we go outdoors
And we may go for a ride

With his head hanging out the window
And his tongue flapping in the wind
Well he may not win any big dog show
But he's my best friend

My good dog (my good dog)
My good dog
And if you think this song is true
I'll bet you've got a good dog too

He likes to go for long walks
And he loves sleeping in the sun
We often have some long talks
And cuddle when the day is done

He makes me want to laugh play
And run with him all day long
He's the happiest person that I've ever met
He just wants to have fun
My good dog (my good dog)
My good dog
And if you think this song is true
I'll bet you've got a good dog too

He looks up at me to lead him
And teach him how he's supposed to behave
It's my job to feed him
Make sure everything's okay

And in return he makes me smile
He makes our house a home.....
But he loves me so and he lets me know
That I'll never be alone

My good dog (my good dog)
My good dog
And if you think this song is true
I'll bet you've got a good dog too

My good dog (my good dog)
My good dog
And if you think this song is true
I'll bet you've got a good dog too
Yeah if you think this song is true
I'll bet you've got a good dog too

Spring Chicken

One mother hen sat on four little eggs
Keeping them warm in her little egg nest
Then one day she heard a crack
And a little voice said as the egg was hatched

I'm.... a.... spring chicken
I'm yellow and small
My feathers are fluffy
And they're keeping me warm
My legs are not long so I'll never be tall
But I'm a real spring chicken
And I'm having a ball
Chicken I'm a chicken
I'm a having a ball

One mother hen sat on three little eggs

Keeping them warm in her little egg nest
Then one day she fell asleep
And a little voice said in a whispered tweet

I'm.... a.... spring chicken
I'm yellow and small
My feathers are fluffy
And they're keeping me warm
My legs are not long so I'll never be tall
But I'm a real spring chicken
And I'm having a ball
Chicken I'm a chicken
I'm a having a ball

One mother hen sat on two little eggs
Keeping them warm in her little egg nest
Then one day she moved about
And a little voice said as she moved about

I'm.... a.... spring chicken
I'm yellow and small
My feathers are fluffy
And they're keeping me warm
My legs are not long so I'll never be tall
But I'm a real spring chicken
And I'm having a ball
Chicken I'm a chicken
I'm a having a ball

One mother hen sat on one little egg
Keeping it warm in her little egg nest
Then one day she gave a sigh
And a little voice said "Surprise, Surprise!"

I'm.... a.... spring chicken
I'm yellow and small
My feathers are fluffy
And they're keeping me warm
My legs are not long so I'll never be tall
But I'm a real spring chicken
And I'm having a ball

I'm a spring chicken
I'm yellow and small
My feathers are fluffy
And they're keeping me warm
My legs are not long so I'll never be tall
But I'm a real spring chicken
And I'm having a ball
