

Dear Parents

As instructed by the Government and in the light of the Covid-19 pandemic, our School will partially close, until further notice at the end of the day on Friday 20 March 2020.

Key Workers

If you are a key worker, defined as performing an essential service keeping our country safe and functioning, the school will remain open for your children, during the normal school day.

The school will **remain open to the children of key workers and vulnerable children** from Monday 23 March 2020. The school day will follow the usual pattern for those children at school as close as possible.

Should you be unsure as to whether your child is eligible to attend school in this way, information is available on the government website.

Children should sign in at reception when they arrive at school. They should arrive and leave (or be collected) at their usual time.

We will keep you all informed of developments during this difficult time through a regular letter and updates on the school website. Please keep safe and look out for all in our community.

Yours

The 1590 Trust
