

Welcome to Year 4!

Hello everyone!

I am writing to welcome you to Year 4 and let you know that I am really looking forward to seeing you in school in September and getting to know you all much better. Mrs McBride will be moving up with you and will be with us every morning and Mrs Whincup will be teaching you every Tuesday afternoon when I am on my PPA time.

This will be my 14th year at Levendale and I have previously taught in Y1, Y5 and Y2 before starting in Y4. Before teaching, I worked as a scientist in the Chemical industry in Billingham. When I am not at work, I enjoy reading, sport and spending time with my friends and family. Mrs McBride and I have worked together for many years since she first came in as a helper when her son was in my class in Y1. We are looking forward to being together again next year in Y4.

In September, school will feel a little different to normal but I'm certain that we will all adapt quickly and thoroughly enjoy our time together; the children who came back this half term have certainly done so. We will be seated in rows but the classroom will still be bright and colourful to welcome you back. Our first topic will be the Ancient Egyptians which is one of my favourite topics of all and I can't wait to teach it to you.

On PE days, you will come to school in your PE kit but the actual days that we will be doing PE will not be confirmed until September.

Have lots of fun over the summer and please come back rested and raring to go for an exciting and busy year in Year 4.

Mrs Butterfield and Mrs McBride
