

Welcome to Year 6!

Hi everyone!

We can't wait to welcome you back to school in September and into Year 6. I will be your teacher next year (Mrs Carnelly) and Mrs Loughran will be our teaching assistant.

You may have heard that school will be a little bit different to how it was the last time you were here, but please don't be worried - some parts of the school day will be a little different, but we still have lots of exciting lessons and activities planned for you and will make sure you get lots of time to chat and play with your friends. One exciting part of being in Year 6 is having our own cloakroom in the classroom and you will enter and leave school using the fire door directly into the class.

Mrs Loughran is looking forward to taking you for PE (you might remember that she took your class for one of your PE sessions in Year 5) and teaching you lots of new skills and games. We will tell you which days you have PE when you come back and you will be able to come in your PE kit on those days!

One of my favourite hobbies is reading (usually in a lovely armchair with a cup of tea and a bar of galaxy chocolate!) and during lockdown, I have spent a lot of time finding some exciting new books for us to read: I have been reading one already with the Year 6 children we have had back this half term and I hope you will enjoy it as much as they have.

When you come back in September, our classroom will be ready with brightly coloured display boards ready to show off some of your beautiful work! We won't be moving around in the classroom as much as we did before, but I will show you where you are sitting and we will make sure that if you need any help with your work, we will still be on hand to give it to you! We will make sure you wash and sanitise your hands throughout the day (you are welcome to bring in your own sanitiser if you would like!) and we will explain all of the school routines on your first day...just like we usually do!

We are really looking forward to seeing you on Thursday 3rd September. Have a lovely summer and enjoy some time outdoors if you can.

From Mrs Carnelly & Mrs Loughran.
